

## Introducing "No"

5

### Core Creature - Alex

People ask me things, I tell them no.  
Who am I? NO!

## Sniffing Keys

-3

### Substance - Upper

damn i want more.

raise creature's energy by 3 for 3  
turns. after, lower energy by 2 for 2  
turns.

## Labor Day in LA

### Event

so what if it never happened, there's  
still time.

search the deck for an Los Angeles  
place card. Add it to your hand and  
shuffle the deck.

## Los Angeles

### Location

it's not so bad in LA.

any cannabis substance cards cost 2  
less energy to use.

## what the fuck did you just say to me

### Reaction

you frompy bitch.

block creature from coming into a player's  
basement, send it to the afterlife

let's just keep it going to see how long these  
can get. the goal is to test out the elipsize  
method here, so just keep on typing, keep on  
talking, JUST KEEP SWIMMING
